Dear Jeff,

Tom and I wanted to thank you for the wonderful job you did for us at Nichole and Brian's wedding on the 16<sup>th</sup> of this month at the Chesapeake Bay Beach Club. Your efforts were exactly what we had wanted for the event: you kept things moving smoothly and you had a great mix of the music we had requested. You helped us allow Nichole and Brian be the stars of the event, as it should be.

I also very much appreciate the time you took with us before the event to help us make sure we had what we wanted in the way of a tone for the event and a proper play list of songs.

I had several comments from guests about your professionalism and I certainly agree with their reaction.

We would heartily recommend you to anyone looking for a quality event music manager and emcee.

Thank you again,
